Step through the mists into the cursed land of Barovia where there is unknown danger beyond every corner. Something strange is afoot, and it's up to you to save the realm! Curse of Strahd is a level 1–10 adventure that takes place in a gothic horror setting. D&D beyond is required.

"Nestled on the coast of the Azure Sea is Saltmarsh, a sleepy fishing village that sits on the precipice of destruction. Smugglers guide their ships to hidden coves, willing to slit the throat of anyone foolhardy enough to cross their path. The cult of a forbidden god extends its reach outward from a decaying port, hungry for fresh victims and willing recruits. While Saltmarsh slumbers, the evils that seek to plunder it grow stronger." Ghosts of Saltmarsh is a level 1–11 adventure. D&D beyond is required.
